

# Bottles

I am the right one for you, no matter what your wishes are. UN certified or not.  
 Whether light or heavy-weight, up to a volume of 1000 ml. And I comply with any standard, of course.  
 You will see, I can give you everything!

# I am more than a package. I am your complete package.

I always give my best, not only where appearance is concerned. I am trying to make it as easy as possible for you. All you have to do is ask and I will take on a **multitude of tasks** for you, the way nobody else does:

**I am your added value.**

- Advance production
- Storage, even of large charges
- Delivery to more than one recipient on different deadlines
- Flexible, prompt delivery
- Reduction of working capital
- Competent advice, even on your own premisses
- Individual solutions for special requirements
- Modern quality management

**When you are dedicated to the perfect package, there are quiet a few things you can offer:**

- A wide range of canisters, buckets, cans and bottles – all by the same producer
- Labeling, offset printing and In Mold Labeling
- Food stuffs compatible
- 100% recyclable
- Our own tool production
- Originality caps
- Large screw connection variety
- High resistance stacking
- optimised palett use
- Ergonomic design for pleasant and safe use
- Shakeproof patent
- Standard colors
