Food  
Safe

WOLF PLASTICS:  
We live out our best service  
principle afresh every day.

### Success goes through the stomach

WOLF PLASTICS containers for the food sector are of course tasteless, because their only goal is to keep the contents fresh and to promote themselves through a tasteful appearance. Constantly the customer innovations are offered as needed. And it is often the customer himself who inspires WOLF PLASTICS to innovate. Because with us there is more than on the menu card. Just ask for custom-made items and ask for a taste of our skills.
