WOLF PLASTICS:
Improved sustainability -
We give it our all.

Grey power for the environment

WOLF PLASTICS leave the choice to you: Every bucket not intended for use in the foodstuffs sector is also available in its grey recycled version. It looks every bit as good as a white bucket because of course a container made from recycle is also IML-capable. So: For a white vest in answer to the climate question just turn to the grey version.

	EZ1251
Nominal filling volume	12.500 ml
D x H	289 x 268 mm
Stacking height	1 + 3
